### TO SERVE ON JUNE 10TH:

If the category says “Family Friendly”, all ages are welcome to serve.

#### **COMMUNITY CLEAN UP - FAMILY FRIENDLY**

This is an area where the whole family can serve together. Parks, roadsides, streams, we have them all in Grove City. This group may be helping those in need by cleaning windows, gutters, gardens & walks.

- I have a ladder to clean gutters
- I have a ladder to clean Windows

#### **HOME REPAIR - ADULTS**

Any specific skills?  Electric  Plumbing  Carpentry

Many people in our community need help with home repairs.

Any skill level can help with home repair. Bring your tools and volunteer!

#### **PAINTING – ADULTS & Teens**

Volunteers for painting may be working inside or outside. There are many in our community that may not have the physical ability or income to paint a room or the outside deck. Bring your ladders, paint brushes, rollers and let’s give them a helping hand from Jesus.

#### **COOKIES - FAMILY FRIENDLY**

Can you bake cookies? Bring a smile to a shut-in or someone who needs a lift by baking cookies to be distributed in the community. You can also help to deliver the goodies on ACTS day.

#### **LAWN CARE - FAMILY FRIENDLY**

The lawn care volunteers will mow, rake, trim and maybe mulch. Think of how you will bless someone when you show up to spruce up their lawn. Bring your mower if you can. Rakes and hand trimmers are a good idea, too!

#### **ACTS PROJECT CLEAN-UP - ADULTS**

We need a team that will help to pick up trash bags, yard waste and you name it after the projects.

#### **BED BRIGADE (Delivery is family friendly)**

There are hundreds of homes in Franklin County that need kids beds. The Brigade will build and deliver beds and bedding to several families. The numbers are limited for this project and so if we get too many, you may be reassigned.
