Letter from the Associate Pastor

Dear Disciples of Jesus,

As we prepare to celebrate our nation's birthday we focus on our freedom and what that means in our lives. Freedom is basic to the way we Americans think. But what does it mean to be truly free?

St. Paul actually addresses this question in the 5th chapter of Galatians. He understands that like every road, the road to freedom in Christ has two ditches. Legalism and License are their names, and to fall into either hinders true freedom in Christ. In Galatia, some were insisting that in order to be Christian, the entire Law of Moses had to be kept. Paul said if that were true then Jesus died on a cross for nothing. ***"For freedom, Christ has set us free, stand firm therefore and do not submit again to a yoke of slavery."***

We Lutherans do a pretty good job of avoiding this ditch of legalism, for we know that we are justified by God's grace alone through faith in Jesus. But we sometimes veer into the ditch of license, of doing our own thing. Paul warns against this as well. ***"For freedom, Christ has set us free, only do not use your freedom as an opportunity for self-indulgence."***

So, how then shall we live? Paul says ***"Live by the Spirit... by contrast the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control. If we live by the Spirit let us be guided by the Spirit."***

As you continue to study God's Word you will discover that, while you aren't perfect, in Christ you are a new creation. The Holy Spirit is always at work in those who put their trust in Him, and His Word never returns empty.

I don't know about you, but this is the kind of freedom I want to live in, a freedom in Christ where His Word is Alive and Active in and through me!

Looking ever Forward in Faith.

Pastor Patti

WATER

"Water, water every where, but nor a drop to drink." - A line from "The Ancient MARINER" by S. T. Coleride—drilled into my memory back in my grade school days, but the line was meaningless until stationed aboard a US Navy ship plowing the Pacific Ocean, standing a watch on the bridge, it was hot and I was thirsty but was surrounded by only sea water.

In the second stage of my life, my wife Louise and I farmed near Derby—there I learned the value of "water". Water was necessary for the livestock and that "million dollar" rain on a recently planted field was indeed a blessing. Those corn and soybean seeds could never have completed their reason for existences without water.

God has used water to get your attention. BAPTISM—an entry into a faith community of Christians using water and the Word of God. After our Baptism comes our growing in faith by attending worship services, our study of the Holy Scriptures and how we humans stand in the sight of God; secondly, we gain a fuller knowledge of God, who He is, and how we may become reconciled with Him.

A few years ago, Monsanto marketed a product called Roundup that when mixed with water would keep weeds and grasses from germination and control growth of others. The Devil also has a "roundup" and when we fail to grow in faith, he is winning. So, everyday when you get up, slap some cold water on your face and make a commitment to grow in Christ a little more that day.

~ from an OWL—Bob Brofford, 2016

VOLUNTEERS NEEDED!

Do you have time to volunteer to do small jobs around the church campus? If so, put your name and phone number on the Salmon Sheet, or call the church office and leave us a message with the same information.

We are currently looking for someone to clean the lower level, Family Life Center, gutters, and the gutters on the Shelter House. We also need to have bundles of shingles that are in the area behind the dumpster moved into the garage.

BUILDING PROJECT UPDATES

New lighting has been installed on the second floor of the Education Building. It's so much lighter and brighter! We have received donations to cover the entire cost of this project. Many thanks!

We continue to accept funds for new chairs for the Family Life Center. Thank you to all who have donated to purchase new chairs for the FLC. The cost of each one is approximately \$52.00. Our goal is 200 chairs. We have received donations to cover the purchase of **186** chairs!

Only **14** chairs left to purchase to reach our goal!

BEDS FOR KIDS: A BED BRIGADE PROJECT

Hello! My name is Corban Allman and I will be entering the 6th grade this fall. I am raising money for The Bed Brigade. The Bed Brigade is an organization here in Grove City that builds and delivers beds to families with children in need of a bed in Central Ohio. Beds for Kids is a fundraiser for The Bed Brigade due to the recent price increase in purchasing wood, causing more funds to be depleted at a quicker rate. Here is what you can do to help.

- You can donate \$25 to cover a quarter of a bed
- You can donate \$50 to cover half of a bed
- You can donate \$100 to cover an entire bed
- You can also make a donation any amount

This fundraiser will be coming to an end on July 15. Trifolds and envelopes can be found at the entrances of church for you to see more information about the fundraiser. If donating by check, please make your check out to St. John's Lutheran Church and place Bed Brigade in the memo line. Donations can be placed in the envelopes and dropped in the offering plates or in the office. Please do what you can to support Beds for Kids and The Bed Brigade! If you have any questions you can contact Corban or Christina Allman by phone at 614-519-8092 or by email at corbana09@gmail.com.

UNTITLED

When I feel that my soul's a loss,
I look in my heart and see your cross.
I want to be your chosen child,
But because of my sins I am self-exiled.
Help me to conquer my ungodly ways
I want to honor you and give you praise.

I repent on bended knee
Dear Lord, hear my heartfelt plea.
Then I'll walk with you my whole life through
To live a perfect life with you.

~ Ardeth Distelhorst

THANKS BE TO GOD!

I was on the third floor of the church when I looked out the window towards the playground. What I saw there brought tears to my eyes. Swinging on the playground was a mom and daughter. They were the very first ones to swing on the new swings! Nothing warms my heart more than seeing family together, enjoying each other, creating memories.

I remember Gregory Allen. He was a first grader who always had something fun to share with you. He was kind and loving. Greg had seizures. After one episode, Greg shared with his parents that he saw God and he really liked Jesus.

A year after his death, the Gregory Allen Memorial playground was constructed. Since then countless children have played on his playground. Whenever I see families there, I am reminded of Greg.

We are thankful to Greg's parents, Kim and Gary Allen, for this addition to the playground. We are also grateful to the family of Rita and Tom Lang who made a generous contribution to the swings in memory and celebration of the life of Tom's dad, Ed Lang.

Thanks be to God for family, memories, and swings!

MY COUNTRY TIS OF THEE

Lord, come quickly!
Save our beloved country from its immorality.
A torrent of sin washes over and around us
Continually,
Pulling us ever deeper and deeper into
The undertow
Of a dark and fearsome, raging sea below.

Lord, come quickly!
Be with us in our hour of need.
And cleanse us of our sinful, evil deeds.

Lord, come quickly!
Be with us in our distress
And receive our prayers lest we perish.
May our beloved country stay afloat
As you lead us aboard your salvation boat!

~ Ada Weygandt

NOTES OF THANKS

"To Our St. John's Family: Shirley Barnes and her children Leslie (Keith), and Jay (Dawn) would like to thank you for all your prayers, the cards of comfort, and the memories shared about Karen Leigh's life. She was a Child of God and praised him through her Ministry of Music. In Christian Love," ~ Shirley Barnes

"Friends at St. John's, I've been looking through notes and cards that I have received and enjoying them all over again. Thank you for the gifts and phone calls, too. I miss attending church, but Betty Lewis brings me bulletins and communion so I keep up on the news and I read through the service. Again, Thank You. Sincerely," ~ Marian Breckenridge

To the Prayer Shawl Ministry after receiving her shawl: "It's a beautiful color and it's gorgeous and I love it! I want to thank everyone for making my day, and taking the time to put a smile on my face. To me, it was just like winning a million dollars." ~ Kimberly Rankin

"I want to express my gratefulness and gratitude for the members of St John's who contributed meals, supplies, gifts, cards and especially prayers during my husband Randy's illness and death. You were all part of my support group and I'll always remember you for your compassion." ~ Vicki Hunt

"My family and I would like to thank everyone for the prayers, calls, cards and expressions of sympathy following the illness and recent loss of my father. Your support and love is a blessing to us now and always. Thank you so very much." ~ Jean Gusa

"To my St John's Family: I would like to extend my sincere heartfelt thank you for all your prayers, cards and gifts reminding me of my extended family. I've been through a lot and your outpouring of love and concern has helped me sustain my faith and remain steadfast in my love of you and the Lord. I'm doing better now and hope to return soon; thanks to the power of your prayers. There is not a day that goes by that I don't think about you and draw strength to stay focused and keep fighting against this cancer. Thank You," ~Rita Lang

"I would like to thank everyone for your kind and generous cards and gifts." ~ Doug Jones

"I want to thank Doug Jones for the past – Fast – 15 years. I don't know where the time has gone. You have always been a big help for me and St. John's. It will not be the same without you being here. I want to wish you the very best." ~ Mike Esposito

"I very, very gratefully wish to express my sincere thanks to all who made the occasion of my Retirement Luncheon so special. My appreciation to all who took part in the planning and preparation of this event from the efforts of Council President Neva Warren, the attractive arrangement of the Family Life Center by Elaine Bennett and her team, the opening remarks by Dr. Hirth, the presentation by the mayor, the wonderfully touching words from Pastor Seth, and the presenting of gifts both serious and not so serious by Pastor Patti, and her concluding blessing. And last but not least, thanks to Christina Allman for the so, so delicious cake. A huge "thank you" to the many members of St. John's family who marked the occasion with their beautiful cards and generous gifts. I'll remember the day for all the years to come, but I shall treasure not only the event itself, but the twelve years of my service to the church which have enriched my life in so many enduring ways." ~ Dr. John Schuder

BEACONS AND QUILTERS

The Beacons and Quilters thank you for your patience, prayers and support during the pandemic. We always need your interested involvement. You may help by donating food for the food pantries, used stamps for veterans' hospitals, card fronts to the Cancer Thrift Store craftsperson, sheets for the filler and backing in the quilts, used towels and washcloths for Faith Mission, and Christmas bag items. Please place your food donations in LSS cabinet in the Link. Please place your other donations in the Beacons-Quilters' cabinet in the Link. The gift of your time is always welcome at the Tuesday meetings of Beacons and Quilters. Thank you for your caring concern.

The Quilters thank Lorna McMillin for donating a portable sewing machine. Thanks, Lorna! Our arthritic hands thank you, also.

We are over-supplied with big sewing machines in cabinets we no longer use. We are giving them away. We find the portable machines are easier to use than the sewing machines in cabinets. If anyone would be interested in having a sewing machine in a cabinet, come in on a Tuesday and test one out. We can transport it to your home for you.

We can always use more twin to king-sized, light colored, flat sheets to use as fillers for the quilts. These sheets do not have to be perfect as they will not be seen when the quilt is completed.

Faith Mission, Nancy's Place and Choices cannot accept used clothing because of limited storage space, pest problems, and lack of help in sorting the clothing. The Beacons no longer want, need or accept used clothing. Two Grove City places with easy drop-offs are the Grove City Methodist "The Purple Door Church" Free Store and Volunteers of America's Thrift Store. Check with them for open hours.

Think "crayons." In the fall, we will start collecting items for the Christmas bags for the children at the LSS food pantry. The school supplies will go on sale this month. The Beacons can always use your donation of Crayola crayons for the children. A good sale price is \$0.50 for a box of 24 Crayola crayons. Larger boxes of crayons do not fit in the bags. We can use pens and small plush toys, also. Any quality you wish to donate is acceptable.

The Quilters meet most Tuesdays from 9am to 2pm in rooms 103-104. Come and go any time. The Beacons meet with the Quilters on the third Tuesday of the month to help with projects. Bring a sack lunch. We especially need individuals who would like to cut squares to start a patchwork quilt. All materials are provided. At the Beacons' meeting, we take monetary offerings for the food pantries and for the Beacons' general fund.

"This is my commandment that you love one another as I have loved you." ~ John 15:12

CONFIRMATION SIGN-UP! Confirmation typically begins in August, as a student enters 7th grade. Parents, please get your email address to Gary Pecuch. He has some "save-the-date" information for you. His email is gpecuch@stjohnsgc.org.

FAMILY/PARENT RESOURCE! We email their materials to you. Topics we've covered so far are: Social Media, Evangelism, Relationships, Mental Health, Technology, and Identity. Printed parent guides are located on the wall outside of the youth office. If you're not on our AXIS email list but would like to be, talk to Laurie, Gary, or Diana.

What is AXIS? An axis is a fixed reference point around which other things revolve. For example the earth revolves around its axis every 24 hours. This fixed point is really important. The AXIS that we've been using since January is a ministry resource to help families do just that! Their mission is to "To build lifelong faith by helping parents and caring adults talk with their kids about what they otherwise wouldn't one conversation at a time."

SCRIP GIFT CARDS: We place orders for gift cards the first Tuesday of the month. Please use the form on the youth office door or just give Laurie or Gary a call at 614-875-2314. Within a week ordered gift cards are back to us and in your hands. You can also order on-line and/or put monies on an existing SCRIP card! Connect with Gary Pecuch or Pam Wittenberg for more details.

AMAZONSMILE: You can link your amazon orders to St. John's and the church will receive .05% of what you order on selected Amazon items. You can do this directly through your Amazon account or set up an AmazonSmile account using your Amazon password and log-in at <https://smile.amazon.com/>.

Connect your KROGER card with the COMMUNITY REWARDS PROGRAM. Go to <https://www.kroger.com/communityrewards>. Our organization number is EY530. Shop at Kroger and a percentage comes back to the youth ministry programs at St. John's! *Thank you!*
