Sing to the Lord

(Tune: Edelweiss)

The audience is invited to sing along on verses 3 and 4.

- 1 Sing, oh sing to the Lord. Hear our songs of rejoicing.
Gracious Lord, faithful God, fill our lives with praising.
Glory and honor be to our God, to our Lord forever.
Filled with joy, onward move, gather us to you ever.
- 2 God of earth, God of sky, awesome is your creation.
Land and sea, wind and rain, all at your evocation.
Let your true spirit shine on the path through our worldly journey
God of truth, God of faith, keep our steps from faltering.
- 3 **God of time, God of space, timeless is your existence.
God of love, God of grace, endless is your forgiveness.
Knowing the hollowness in our hearts, and our restless spirits,
God of calm, God of peace, bless us with your presence.**
- 4 **Lord of life, God of light, glory to our Creator,
Lord of love, God of might, glory be to our Savior.
Enter our lives, help us love and grow, reaching out to others.
Knowing God, loving God, send your Spirit to guide us.**
